BRUNSWICK LANDING PROJECT) HERETOFORE
FINALLY ADOPTED BY THE CITY COUNCIL OF THE
CITY OF NEW BRUNSWICK, IN THE COUNTY OF
MIDDLESEX, STATE OF NEW JERSEY, ON DECEMBER
16, 2009, TO INCREASE THE APPROPRIATION THEREIN
TO $1,900,000 AND TO INCREASE THE AUTHORIZATION
OF BONDS OR NOTES OF THE CITY TO $1,900,000 TO
FINANCE PART OF THE COST THEREOF

BE IT ORDAINED AND ENACTED BY THE CITY COUNCIL OF THE CITY OF NEW
BRUNSWICK, IN THE COUNTY OF MIDDLESEX, STATE OF NEW JERSEY (not less than two­
thirds of all the members thereof affirmatively concurring), AS FOLLOWS:

SECTION 1. The bond ordinance of the City of New Brunswick, in the County of Middlesex,
State of New Jersey (the “City”), heretofore finally adopted by the City Council on December 16, 2009,
numbered O-120903 and entitled, “Bond Ordinance Providing for the Construction of the New
Brunswick Landing Project, by and in the City of New Brunswick, in the County of Middlesex, State of
New Jersey; Appropriating $500,000 Therefor and Authorizing the Issuance of $500,000 Bonds or Notes
of the City to Finance Part of the Cost Thereof” (the “Original Ordinance”), is hereby amended and
supplemented to the extent and with the effect as follows:

SECTION 2. For the said improvement or purpose described in Section 3 of the Original
Ordinance, as amended and supplemented hereby, there is hereby appropriated the additional sum of
$1,400,000, said sum being inclusive of an additional loan anticipated to be received from the Department
of Environmental Protection Green Acres Program in the amount of $1,400,000 (the “Additional Green
Acres Loan”), such that the total appropriation of the Original Ordinance, as amended and supplemented
hereby, is equal to $1,900,000, including the original sum of $500,000 anticipated to be received as a loan
from the Department of Environmental Protection Green Acres Program (the “Original Green Acres
Loan”) and the Additional Green Acres Loan. A grant to be received from the Department of
Environmental Protection Green Acres Program in the amount of $100,000 (the “Green Acres Grant”) has
been separately appropriated for by the City under the Original Ordinance and will be applied to the total
cost of the improvement or purpose stated in Section 3(c) of the Original Ordinance, as amended and
supplemented hereby. Pursuant to Section 40A:2-11(c) of the Local Bond Law, as amended and
supplemented, no down payment is required for obligations authorized in connection with the
improvement or purposes set forth in Section 3 of the Original Ordinance, as amended and supplemented
hereby, as the improvement is expected to be partially funded through the Green Acres Grant.

SECTION 3(a). In order to finance the additional costs of the said improvement or purpose
described in Section 3 of the Original Ordinance, as amended and supplemented hereby, and to meet the
said $1,900,000 appropriation, additional negotiable bonds or notes of the City are hereby authorized to
be issued in the principal amount of $1,400,000 pursuant to the Local Bond Law, making the total
authorization of negotiable bonds or notes to be issued by the City for the improvement or purpose stated
in the Original Ordinance, as amended and supplemented hereby, equal to the aggregate principal amount
of $1,900,000 (increased from $500,000). The Township may authorize and issue the aforesaid bonds or
notes or other instrument or agreement to memorialize the Green Acres Loan.

(b) The estimated maximum amount of bonds or notes to be issued for the improvement or
purpose stated in the Original Ordinance, as amended and supplemented hereby, is equal to $1,900,000.

(c) The estimated cost of said purpose is $2,000,000, the excess amount thereof over the said
estimated maximum amount of bonds or notes to be issued therefore, is a Green Acres Grant expected to
be received in the amount of $100,000 which has been separately appropriated for by the City in the
Original Ordinance, as amended and supplemented hereby, and will be applied to the cost of the
improvement or purpose stated in Section 3 of the Original Ordinance, as amended and supplemented
hereby.

SECTION 4. In the event the United States of America, the State of New Jersey and/or the
County of Middlesex make a contribution or grant in aid to the City, for the improvement and purpose
authorized in the Original Ordinance, as amended and supplemented hereby, and the same shall be
received by the City prior to the issuance of the bonds or notes authorized in Section 2 of the Original
Ordinance, as amended and supplemented hereby, then the amount of such bonds or notes to be issued
shall be reduced by the amount so received from the United States of America, the State of New Jersey
and/or the County of Middlesex. In the event, however, that any amount so contributed or granted by the
United States of America, the State of New Jersey and/or the County of Middlesex, shall be received by
the City after the issuance of the bonds or notes authorized in Section 2 of the Original Ordinance, as
amended and supplemented hereby, then such funds shall be applied to the payment of the bonds or notes

#0923419.1(102830.031)
so issued and shall be used for no other purpose. This Section 4 shall not apply, however, with respect to any contribution or grant in aid received by the City as a result of using funds from this bond ordinance as "matching local funds" to receive such contribution or grant in aid.

SECTION 5. The capital budget of the City is hereby amended to conform with the provisions of this amendatory and supplemental bond ordinance and to the extent of any inconsistency herewith, a resolution in the form promulgated by the Local Finance Board showing full detail of the amended capital budget and capital programs as approved by the Director of the Division of Local Government Services, New Jersey Department of Community Affairs, will be on file in the office of the Clerk and will be available for public inspection.

SECTION 6. The following additional matters are hereby determined, declared, recited and stated:
(a) The supplemental debt statement required by the Local Bond Law has been duly made and filed in the Office of the Clerk of the City and a complete executed duplicate thereof has been filed in the Office of the Director of the Division of Local Government Services in the Department of Community Affairs of the State of New Jersey, and such statement shows that the gross debt of the City as defined in the Local Bond Law is increased by the authorization of the bonds or notes provided for in this amendatory and supplemental bond ordinance by $1,400,000, and the said obligations authorized by this amendatory and supplemental bond ordinance will be within all debt limitations prescribed by said Local Bond Law.
(b) For the improvement or purpose set forth in the Original Ordinance, as amended and supplemented hereby, an additional sum of $200,000 is hereby included for items of expense listed in and permitted under N.J.S.A. 40A:2-20, making the total amount for such items of expense equal to $400,000, such total amount being included in the estimated cost indicated herein for the improvement or purpose set forth in the Original ordinance, as amended and supplemented hereby.

SECTION 7. The full faith and credit of the City are hereby pledged to the punctual payment of the principal of and the interest on the obligations authorized by the Original Ordinance, as amended and supplemented hereby. The obligations shall be direct, unlimited obligations of the City, and the City shall be obligated to levy ad valorem taxes upon all the taxable property within the City for the payment of the obligations and the interest thereon without limitation as to rate or amount.

SECTION 8. The City reasonably expects to reimburse any expenditures toward the costs of the improvement or purpose described in Section 3 of the Original Ordinance, as amended and supplemented hereby, and paid prior to the issuance of any bonds or notes authorized by the Original Ordinance, as amended and supplemented hereby, with the proceeds of such bonds or notes. This Section 8 is intended to be and hereby is a declaration of the City's official intent to reimburse any expenditures toward the costs of the improvement or purpose described in Section 3 of the Original Ordinance, as amended and supplemented hereby, to be incurred and paid prior to the issuance of bonds or notes authorized herein in accordance with Treasury Regulation Section 150-2. No reimbursement allocation will employ an "abusive arbitrage device" under Treasury Regulation Section 1.148-10 to avoid the arbitrage restrictions or to avoid the restrictions under Sections 142 through 147, inclusive, of the Internal Revenue Code of 1986, as amended (the "Code"). The proceeds of any bonds or notes authorized by the Original Ordinance, as amended and supplemented hereby, used to reimburse the City for costs of the improvement or purpose described in Section 3 of the Original Ordinance, as amended and supplemented hereby, or funds corresponding to such amounts, will not be used directly or indirectly (i) to "refund" any issue of governmental obligations within the meaning of Treasury Regulation Section 1.150-1(d), to create, within one year, following the reimbursement of any expenditures of bond proceeds, "replacement proceeds", within the meaning of Treasury Regulation Section 1.148-1, of the bonds, or any other bond issue, (ii) to reimburse the City for any expenditure or payment that was originally paid with the proceeds of any obligation of the City (other than borrowing by the City from one of its own funds or the funds of a member of the same "Controlled Group" within the meaning of Treasury Regulation Section 1.150-1(e)). The bonds or notes authorized in the Original Ordinance, as amended and supplemented hereby, to reimburse the City for any expenditures toward the costs of the improvement or purpose described in Section 3 of the Original Ordinance, as amended and supplemented hereby, will be issued in an amount not to exceed the aggregate principal amount of $1,900,000, including the amount of $1,400,000 authorized hereby. The costs to be reimbursed with the proceeds of the bonds or notes authorized in the Original Ordinance, as amended and supplemented hereby, will be "capital expenditures" in accordance with the meaning of Section 150 of the Code and Treasury Regulation Section 1.150-1. All reimbursement allocations will occur not later than eighteen (18) months after the later of (i) the date the expenditure from a source other than any bonds or notes authorized by this amendatory and supplemental bond ordinance is paid, or (ii) the date the improvement or purpose described in Section 3 of the Original Ordinance, as amended and supplemented hereby, is "placed in service" (within the meaning of Treasury Regulation Section 1.150-2) or abandoned, but in no event more than three (3) years after the expenditure is paid. This provision will take effect immediately, but will be of no effect with regard to expenditures for costs paid outside the permitted reimbursement period set forth in Treasury Regulation Section 1.150-2(e)(2).
SECTION 9. The City covenants to maintain the exclusion from gross income under section 103(a) of the Code of the interest on all bonds and notes issued under the Original Ordinance, as amended and supplemented hereby.

SECTION 10. Except as expressly amended and supplemented hereby, the Original Ordinance shall remain in full force and effect.

SECTION 11. This bond ordinance shall take effect twenty (20) days after the first publication thereof after final adoption, as provided by the Local Bond Law.

AN ORDINANCE TO AMEND AND SUPPLEMENT AN ORDINANCE ENTITLED, "AN ORDINANCE FIXING THE SALARIES AND WAGES OF VARIOUS EMPLOYEES, OFFICIALS OF THE CITY OF NEW BRUNSWICK, PROVIDING FOR THE MANNER OF PAYMENT," AND REPEALING ORDINANCES OR PARTS OF ORDINANCES INCONSISTENT HEREWITH.

BE IT ORDAINED, by the City Council of the City of New Brunswick, County of Middlesex, State of New Jersey, as follows:

SECTION I

The Salaries hereinafter set forth shall be paid in bi-weekly installments. Nothing hereinafter set forth shall prevent payment for services of a special nature beyond the regular or routine business of the official or employee. The maximum salary established for each position is intended to cover base salary only and not to limit longevity, stipends or over-time pay with respect to those officials and employees entitled to the same.

Furthermore, the salary ranges apply to full time appointments. Part time appointments shall receive compensation at an appropriate prorated portion of the full time salary range under the range entitled "Special".

SECTION II

The attached salary ranges in the following schedule containing minimum and maximum rates of compensation for employment classes shall be paid to qualifying officials and employees of the City of New Brunswick according to specific rates of compensation already determined and agreed upon by such employees in conjunction with the Mayor of the City of New Brunswick, based on the length of service, work performed, the quality of service rendered, and an ascending increment rate established between minimum and maximum salaries.

SECTION 6. The capital budget of the City is hereby amended to conform with the provisions of this bond ordinance, and to the extent of any inconsistency herewith, a resolution in the form promulgated by the Local Finance Board showing full detail of the amended capital budget and capital programs as approved by the Director of the Division of Local Government Services, New Jersey
Department of Community Affairs will be on file in the office of the Clerk of the City and will be available for public inspection.

SECTION 7. The following additional matters are hereby determined, declared, recited and stated:

a. The purposes described in Section 3 of this bond ordinance are not current expenses and are improvements which the City may lawfully undertake as general improvements, and no part of the cost thereof has been or shall be specially assessed on property specially benefited thereby.

b. The average period of usefulness of said purposes within the limitations of said Local Bond Law, according to the reasonable life thereof computed from the date of the said bonds authorized by this bond ordinance, is 14.429 years.

c. The supplemental debt statement required by the Local Bond Law has been duly made and filed in the Office of the Clerk of the City and a complete executed duplicate thereof has been filed in the Office of the Director of the Division of Local Government Services, New Jersey Department of Community Affairs, and such statement shows that the gross debt of the City as defined in the Local Bond Law is increased by the authorization of the bonds or notes provided for in this bond ordinance by $4,758,000 and the said obligations authorized by this bond ordinance will be within all debt limitations prescribed by said Local Bond Law.

The debt obligations shall be direct, unlimited obligations of the City, and the City shall be obligated to levy ad valorem taxes upon all the taxable property within the City for the payment of the debt obligations and the interest thereon without limitation as to rate or amount.
SECTION 9. The City reasonably expects to reimburse any expenditures toward the costs of the improvements or purposes described in Section 3 hereof and paid prior to the issuance of any bonds or notes authorized by this bond ordinance with the proceeds of such bonds or notes. This Section 9 is intended to be and hereby is a declaration of the City's official intent to reimburse any expenditures toward the costs of the improvements or purposes described in Section 3 hereof to be incurred and paid prior to the issuance of bonds or notes authorized herein in accordance with Treasury Regulations Section 150-2. The proceeds of any bonds or notes authorized by this bond ordinance used to reimburse the City for costs of the improvements or purposes described in Section 3 hereof, or funds corresponding to such amounts, will not be used in a manner that results in the creation of "replacement proceeds", including "sinking funds", "pledged funds" or funds subject to a "negative pledge" (as such terms are defined in Treasury Regulations §1.148-1), of any bonds or notes authorized by this bond ordinance or another issue of debt obligations of the City, other than amounts deposited into a "bona fide debt service fund" (as defined in Treasury Regulations §1.148-1). The bonds or notes authorized herein to reimburse the City for any expenditures toward the costs of the improvements or purposes described in Section 3 hereof will be issued in an amount not to exceed $4,758,000. The costs to be reimbursed with the proceeds of the bonds or notes authorized herein will be "capital expenditures" in accordance with the meaning of Section 150 of the Code. SECTION 10. The City covenants to maintain the exclusion from gross income under section 103(a) of the Code, of the interest on all bonds and notes issued under this ordinance.

SECTION 11. This bond ordinance shall take effect twenty (20) days after the first publication thereof after final adoption, as provided by the Local Bond Law.

BOND ORDINANCE PROVIDING FOR VARIOUS IMPROVEMENTS TO THE WATER SYSTEM BY AND IN THE CITY OF NEW BRUNSWICK, IN THE COUNTY OF MIDDLESEX, STATE OF NEW JERSEY; APPROPRIATING $1,920,702 THEREFOR AND AUTHORIZING THE ISSUANCE OF $1,920,702 BONDS OR NOTES TO FINANCE THE COST THEREOF

BE IT ORDAINED AND ENACTED BY THE CITY COUNCIL OF THE CITY OF NEW BRUNSWICK, IN THE COUNTY OF MIDDLESEX, STATE OF NEW JERSEY (not less than two-thirds of all the members thereof affirmatively concurring), AS FOLLOWS:

SECTION 1. The improvements or purposes described in Section 3 of this bond ordinance are hereby authorized as a general improvement to be undertaken by the City of New Brunswick, in the County of Middlesex, State of New Jersey (the "City"). For the said improvements or purposes stated in Section 3, there is hereby appropriated the sum of $1,920,702, said sum being inclusive of all appropriations heretofore made therefor. Pursuant to the provisions of N.J.S.A. 40A:2-7(h) and 40A:2-11(c) of the Local Bond Law, N.J.S.A. 40A:2-1 et seq. (the "Local Bond Law"), no down payment is required.

SECTION 2. For the financing of said improvements or purposes described in Section 3 hereof, negotiable bonds of the City are hereby authorized to be issued in the aggregate principal amount of $1,920,702 pursuant to the Local Bond Law. In anticipation of the issuance of said bonds and to temporarily finance said improvements or purposes, negotiable notes of the City in the aggregate principal amount of $1,920,702 are hereby authorized to be issued pursuant to and within the limitations prescribed by the Local Bond Law.

SECTION 3. The improvements and purposes hereby authorized and purposes for the financing of which said debt obligations are to be issued are various improvements to the water treatment plant, including, but not limited to, replacement of water filtration equipment, upgrades to security cameras, computer equipment and pumps, and acquisition of water treatment chemicals, and, various other water system improvements, including, but not limited to, upgrades to pumps and motors and acquisition of water treatment chemicals at pump stations, acquisition of an emergency generator for the Delaware and Raritan Canal Pump Station and installation of valves and hydrants at various locations throughout the City.

The above improvements or purposes set forth above shall also include, as applicable, all engineering and design work, preparation of plans and specifications, permits, bid documents, contract administration, and all work, materials, equipment, labor and appurtenances necessary therefor or incidental thereto.

In the event, however, that any amount so contributed or granted by the United States of America, the State of New Jersey, and/or the County of Middlesex shall be received by the City after the issuance of the bonds or notes authorized in Section 2 hereof, then such funds shall be applied to the payment of the bonds or notes so issued and shall be used for no other purpose. This Section 4 shall not apply, however, with respect to any contribution or grant in aid received by the City as a result of using funds from this bond ordinance as "matching local funds" to receive such contribution or grant in aid.

SECTION 5. All bond anticipation notes issued hereunder shall mature at such times as may be determined by the Chief Financial Officer of the City, provided that no note shall mature later than one (1) year from its date or otherwise authorized by the Local Bond Law. The notes shall bear interest at such rate or rates and be in such form as may be determined by the Chief Financial Officer. The Chief Financial Officer of the City shall determine all matters in connection with the notes issued pursuant to this bond ordinance, and the signature of the Chief Financial Officer upon the notes shall be conclusive evidence as to all such determinations. All notes issued hereunder may be renewed from time to time in accordance with the provisions of the Local Bond Law. The Chief Financial Officer is hereby authorized to sell part or all of the notes from time to time at public or private sale and to deliver them to the purchaser thereof upon receipt of payment of the purchase price and accrued interest thereon, if any, from their dates to the date of delivery thereof. The Chief Financial Officer is hereby directed to report in writing to the governing body at the meeting next succeeding the date when any sale or delivery of the notes pursuant to this bond ordinance is made. Such report must include the principal amount, the description, the interest rate, and the maturity schedule of the notes so sold, the price obtained and the name of the purchaser.
SECTION 6. The capital budget of the City is hereby amended to conform with the provisions of this bond ordinance to the extent of any inconsistency herewith and a resolution in the form promulgated by the Local Finance Board showing full detail of the amended capital budget and capital programs as approved by the Director of the Division of Local Government Services, New Jersey Department of Community Affairs is on file in the office of the Clerk and is available for public inspection.

(c) The Supplemental Debt Statement required by the Local Bond Law has been duly made and filed in the Office of the Clerk of the City and a complete executed duplicate thereof has been filed in the Office of the Director of the Division of Local Government Services, New Jersey Department of Community Affairs, and such statement shows that the gross debt of the City as defined in the Local Bond Law is increased by the authorization of the bonds or notes provided for in this bond ordinance by $1,920,702, but such amount shall constitute a deduction from gross debt to the extent permitted by law, and the said bonds or notes authorized by this bond ordinance will be within all debt limitations prescribed by said Local Bond Law.

(d) An amount not exceeding $290,000 for items of expense listed in and permitted under Section 20 of the Local Bond Law is included in the estimated cost indicated herein for the improvements or purposes described in Section 3 hereof.

SECTION 8. The full faith and credit of the City are hereby pledged to the punctual payment of the principal of and the interest on the bonds or notes authorized by this bond ordinance. The bonds or notes shall be direct, unlimited obligations of the City, and the City shall be obligated to levy ad valorem taxes upon all the taxable property within the City for the payment of the bonds or notes and the interest thereon without limitation as to rate or amount.
SECTION 9. The City reasonably expects to reimburse any expenditures toward the costs of the improvements or purposes described in Section 3 hereof and paid prior to the issuance of any bonds or notes authorized by this bond ordinance with the proceeds of such bonds or notes. No reimbursement allocation will employ an "abusive arbitrage device" under Treasury Regulations §1.148-10 to avoid the arbitrage restrictions or to avoid the restrictions under Sections 142 through 147, inclusive, of the Internal Revenue Code of 1986, as amended (the "Code"). The proceeds of any bonds or notes authorized by this bond ordinance used to reimburse the City for costs of the improvements or purposes described in Section 3 hereof, or funds corresponding to such amounts, will not be used in a manner that results in the creation of "replacement proceeds", including "sinking funds", "pledged funds" or funds subject to a "negative pledge" (as such terms are defined in Treasury Regulations §1.148-1), of any bonds or notes authorized by this bond ordinance or another issue of debt obligations of the City, other than amounts deposited into a "bona fide debt service fund" (as defined in Treasury Regulations §1.148-1). The bonds or notes authorized herein to reimburse the City for any expenditures toward the costs of the improvements or purposes described in Section 3 hereof will be issued in an amount not to exceed $1,920,702. (d) An amount not exceeding $100,000 for items of expense listed in and permitted under Section 20 of the Local Bond Law is included in the estimated cost indicated herein for the improvements or purposes described in Section 3 hereof.

SECTION 9. The City reasonably expects to reimburse any expenditures toward the costs of the improvements or purposes described in Section 3 hereof and paid prior to the issuance of any bonds or notes authorized by this bond ordinance with the proceeds of such bonds or notes. The proceeds of any bonds or notes authorized by this bond ordinance used to reimburse the City for costs of the improvements or purposes described in Section 3 hereof, or funds corresponding to such amounts, will not be used in a manner that results in the creation of "replacement proceeds", including "sinking funds", "pledged funds" or funds subject to a "negative pledge" (as such terms are defined in Treasury Regulations §1.148-1), of any bonds or notes authorized by this bond ordinance or another issue of debt obligations of the City, other than amounts deposited into a "bona fide debt service fund" (as defined in Treasury Regulations §1.148-1). The bonds or notes authorized herein to reimburse the City for any expenditures toward the costs of the improvements or purposes described in Section 3 hereof will be issued in an amount not to exceed $1,850,000. The costs to be reimbursed with the proceeds of the bonds or notes authorized herein will be "capital expenditures" in accordance with the meaning of Section 150 of the Code. All reimbursement allocations will occur not later than 18 months after the later of (i) the date the expenditure from a source other than any bonds or notes authorized by this bond ordinance is paid, or (ii) the date the improvements or purposes described in Section 3
hereof is "placed in service" (within the meaning of Treasury Regulations §1.150-2) or abandoned, but in no event more than 3 years after the expenditure is paid.

SECTION 10. The City covenants to maintain the exclusion from gross income under Section 103(a) of the Internal Revenue Code of 1986, as amended, of the interest on all bonds and notes issued under this ordinance.

SECTION 11. This ordinance shall take effect twenty (20) days after the first publication thereof after final adoption, as provided by the Local Bond Law.
