This minor subdivision was approved by the Minor Subdivision Committee and memorialized on January 30, 2020. In order to perfect the minor subdivision, the deeds and legal metes and bounds descriptions were required to be reviewed and revised by the city's professionals and departments prior to being signed by the Committee's representatives and being record and filed. Due to the time it has taken to prepare the revisions to plans and the various reviews, the process has taken longer than the required 91 days pursuant to the MLUL. The applicant is requesting a 60 day extension from the Committee for the filing of the subdivision deeds. (*Steven M. Hambro, Esq.*)
