**Police Investigate Home Invasion Robbery**

The New Brunswick Police Department is investigating a home invasion that was reported to have occurred on August 27, 2021 at approximately 11:40 PM within a residence which is located on Hartwell Street, between Central Avenue and Hamilton Street.

In this incident, the victims (four 20 year old adult males, residing in New Brunswick) reported that five perpetrators entered the residence through an unsecured door. Once inside, the perpetrators displayed two firearms and removed several items of value from the victims. The victims were not physically injured during this incident and the perpetrators fled the area on foot.

The description of the perpetrators is limited at this time, however the preliminary investigation suggests that at least one of the victims and one of the suspects were familiar with each other and the residence was targeted specifically because of the relationship.

The New Brunswick Police Department asks that anyone with information, or who may have been in the area at the time, contact Detective Elfi Martinez at 732-745-5217.
