IN THE CITY OF NEW BRUNSWICK**

BE IT ORDAINED by the New Brunswick City Council, as follows:

SECTION I

The City Council makes the following findings:

The New Brunswick Planning Board held a hearing on March 9, 2020 to review and discuss the adoption of the Healthcare and Research Pavilion Redevelopment Plan. The Planning Board has reviewed the Healthcare and Research Pavilion Redevelopment Plan and has no objection to same. The Planning Board made the following findings set forth below:

- a) The New Brunswick Planning Board forwarded a report to the City Council regarding the Board's finding that the amendments to the Healthcare and Research Pavilion Redevelopment Plan are consistent with the City's Master Plan; and
- b) The Redevelopment Plan provides guidelines for the development of the redevelopment area with buildings that meet the goals of the City's Master Plan and development goals; and
- c) The proposed amendments to the Redevelopment Plan are consistent with the goals and objectives of the City of New Brunswick's Master Plan, as the changes do not alter the character and stability of existing neighborhoods and other goals and objectives cited in the Planning Board's March 11, 2020 report; and
- d) The proposed Redevelopment Plan supports the goals and objectives of the State Master Plan, including the encouragement of development, redevelopment and economic growth in locations that are well situated with respect to present or anticipated public services, or facilities and the discouragement of development where it may impair or destroy natural resources or environmental qualities, the reduction of sprawl and promotion of development and redevelopment in a manner consistent with sound planning, and where infrastructure can be provided at private expense or with reasonable expenditures of public funds; and
- e) The development of the redevelopment area as proposed by the Redevelopment Plan will assist in achieving higher levels of utilization in the Healthcare and Research Pavilion Redevelopment Plan Area and provide additional housing resources for residents and office space for new workplaces.
- f) The New Brunswick Planning Board made no recommendations to the Redevelopment Plan.
