Three Arrested After Assault with Airsoft Gun  

On Sunday morning, shortly before 1:00am, New Brunswick police officers arrested three individuals whom are suspected to be involved in the shootings of several people throughout the City. These shootings involved an Airsoft gun, which is a handgun which fires projectiles similar to BB’s by way of compressed gas.

The first call sent officers to the area of Prosper and Guilden Street where a 21 year old male victim reported he was shot in the face from a silver vehicle which was parked across the street. The vehicle then sped away. Approximately ten minutes later officers observed a vehicle matching the description shoot a bicyclist on another area of Prosper Street. The officers pursued the vehicle and after a brief chase, stopped the vehicle on New York Avenue. The three occupants of the vehicle were arrested along with the recovery of two Airsoft guns.

The arrested individuals were identified as Isaiah Colon (18 year old male from Somerset, NJ), Irvoan Evans (21 year old male from Wilson, NC), and a 16 year old juvenile male from Newark, NJ. All three are charged with Aggravated Assault, Conspiracy to Commit Aggravated Assault, Possession of a Weapon for an Unlawful Purpose, Unlawful Possession of a Weapon, and Eluding.

Detectives investigating this case have since identified other victims who claim to have been shot earlier that evening and additional charges are expected. None of the injuries sustained from the gun shots were life-threatening. Anyone with information regarding these incidents is asked to call Detective Brandon Epstein at (732) 745-5217.
