## Police Investigate Evening Shooting

The New Brunswick Police Department is investigating a shooting that occurred yesterday evening at approximately 9:30 pm in the area of Throop Avenue and Hale Street. The preliminary investigation suggests that multiple suspects targeted multiple victims; and this was not a random act. As a result of multiple gunshots, three victims sustained injuries. Two victims, (20 and 21 year old males, both residing in New Brunswick), sustained non-life threatening injuries, while the third victim, (20 year old male residing in Somerset, NJ) is being treated at Robert Wood Johnson University Hospital where he is in serious condition.

The investigation further suggests that one of the suspects is described as an African-American male, tall and skinny, covering his face with a black and white bandana. There are no other suspect descriptions at this time. Anyone with information is asked to contact Detective Kenneth Abode at (732) 745-5217.
