## Suspicious Person Enters Home on Stone Street

The New Brunswick Police Department is investigating a suspicious person that entered a home on Stone Street early this morning. The occupant of the Stone Street residence awoke to find an unidentified male in her bedroom. When the occupant confronted the suspicious male, he fled out the rear door. The suspicious individual is described as a black male, approximately 6 feet in height and 160 pounds in weight. He had short braids in his hair and was wearing a dark zip-up hoodie with black pants.

The New Brunswick Police Department would like to remind residents to lock windows and doors, when not at home and while asleep in the residence. As the weather gets warmer, open windows and doors are an easy target for burglars and trespassers. Anyone with information on this suspicious person is asked to contact Detective Drew Weiss at (732) 745-5217.
